

LEVEL 5 EARLY YEARS LEAD PRACTITIONER

Diploma (NCFE) Only

About the Course

This course will develop the knowledge, skills and behaviours of early years practitioners to be proactive and influential. You will be working in a senior role such as Room leader, Early years lead, Deputy manager or Manager. Undertaking this course will develop the practitioner's ability to reflect and build on practice through on-going professional enquiry and action led research.

You will promote the health and wellbeing of all children, whilst ensuring compliance with legislation, policies and strategies at national, local and setting based level.

You will be an active and effective key worker, advocating on behalf of the children as well as disseminating best practice and demonstrating practice required of a leader.

The lead practitioner will develop their reflection skills to improve pedagogical practice and initiate personal and team continuous professional development in response to strengths and weaknesses.

Duration and support

With a duration of 18 months, you will receive online training and support from our assessor.

On starting you will undertake an online skills scan enabling us to understand your learning style and needs and we will tailor your learning experience accordingly. Your assessor will work with you to ensure that you stay on track to complete your programme on time by managing your progress through Bud our learning platform.
