

LEVEL 2 ADULT CARE WORKER

Diploma (NCFE) Only

About the course

You will be working in a frontline role such as carer or support worker.

Undertaking this course will enable the Adult Care Worker to develop their ability to help the people they support to choose and achieve their personal goals while maintaining independence and staying safe.

The Adult Care Worker will develop skills and knowledge to promote the health and wellbeing of all the people they support, whilst ensuring compliance with legislation, policies and strategies at national, local and setting based level.

They will develop their values, skills and behaviours to deliver excellent support, demonstrating care and compassion.

The Adult Care Worker will be undertaking a rewarding, fulfilling and worthwhile role that could lead to excellent career progression within the industry.

Duration and support

With a duration of 6 months, you will receive online training and face to face support from our assessor.

On starting you will undertake an online skills scan enabling us to understand your learning style and needs and we will tailor your learning experience accordingly. Your assessor will work with you to ensure that you stay on track to complete your programme on time by managing your progress through Bud our learning platform.
