

LEVEL 5 LEADERSHIP & MANAGEMENT IN ADULT CARE

Diploma (NCFE) Only

About the course

This qualification is designed to support the development of registered managers of adult social care services.

You will be working in a senior role such as Manager, Deputy Manager or Assistant Manager of an adult care provider or as a personal assistant in a management role to an individual client.

Undertaking this course will develop the leader's ability to reflect and build on practice through on-going professional enquiry and action led research. They will also be supported to learn how to develop and implement a values-based culture.

The leader in adult care will promote the health and wellbeing of all vulnerable adults, whilst ensuring compliance with legislation, regulations, policies and standards at national, local and setting based level.

They will be an active leader of the team, ensuring training and values of staff meet legislative and regulatory requirements, as well as potentially being responsible for a range of tasks such as managing risk, organisational change, finance, continuity and business development.

The leader in adult care will develop their skills to inspire their team, to develop the service and ensure it is safe, effective, caring, well led and responsive to the needs of the people they support.

Duration and support

With a duration of 16 months, you will receive online and face to face training and support from our assessor.

On starting you will undertake an online skills scan enabling us to understand your learning style and needs and we will tailor your learning experience accordingly. Your assessor will work with you to ensure that you stay on track to complete your programme on time by managing your progress through Bud our learning platform.
